

Task_004

Now there is a happy path journey for searching with the text "Stainless Steel Thermos". For the first item on the list, add a couple of black/white products to your cart. Then verify the Cart. Now execute the journeys from both the API and UI. Now provide feedback on your test analysis, and keep logs of the defects.

UI Journey — Test Steps Table-

T_ID	Action	Input Given	Expected Result	Actual Result	Status
UI_01	Open website	demo.evershop.io	Homepage loads	Homepage loads	Passed
UI_02	Open Search Bar, enter keyword, hit Enter	Stainless Steel Thermos	Shows matched product	Shows matched product	Passed
UI_03	Select "Black" color variant	Color: Black	Variant selected	Variant selected	Passed
